

# From Classical Gravity to Quantum Amplitudes and Back: post-Newtonian, post-Minkowskian, effective one-body, self-force, ...

## Monday, 18 November 2019

### Monday (14:30 - 15:40)

time	[id] title	presenter
14:30	[7] From theory to astrophysics: Observing the first colliding compact objects	HARRY, I.

### Monday (16:10 - 18:30)

time	[id] title	presenter
16:10	[3] The Need for High-Precision Gravitational Waveforms	BUONANNO, A.
17:20	[13] Numerical-relativity simulations of compact object binaries	PFEIFFER, H.
