

The European XFEL Users' Meeting is an annual opportunity to strengthen the interaction between the European XFEL project and the scientific user community. The scope of this meeting includes:

- Selected science applications
- Progress and current status of the European XFEL
- Results of 2010 technical and scientific workshops
- Current developments in the field of XFEL facilities
- Job opportunities at the European XFEL

Registration: www.xfel.eu/2011-users-meeting

Programme

26 January 2011

Plenary sessions with project status and workshop reports

Science session with special topic:
Non-linear phenomena

27 January 2011

Joint session with HASYLAB Users' Meeting:

X-ray FEL / FLASH experiments

28 January 2011

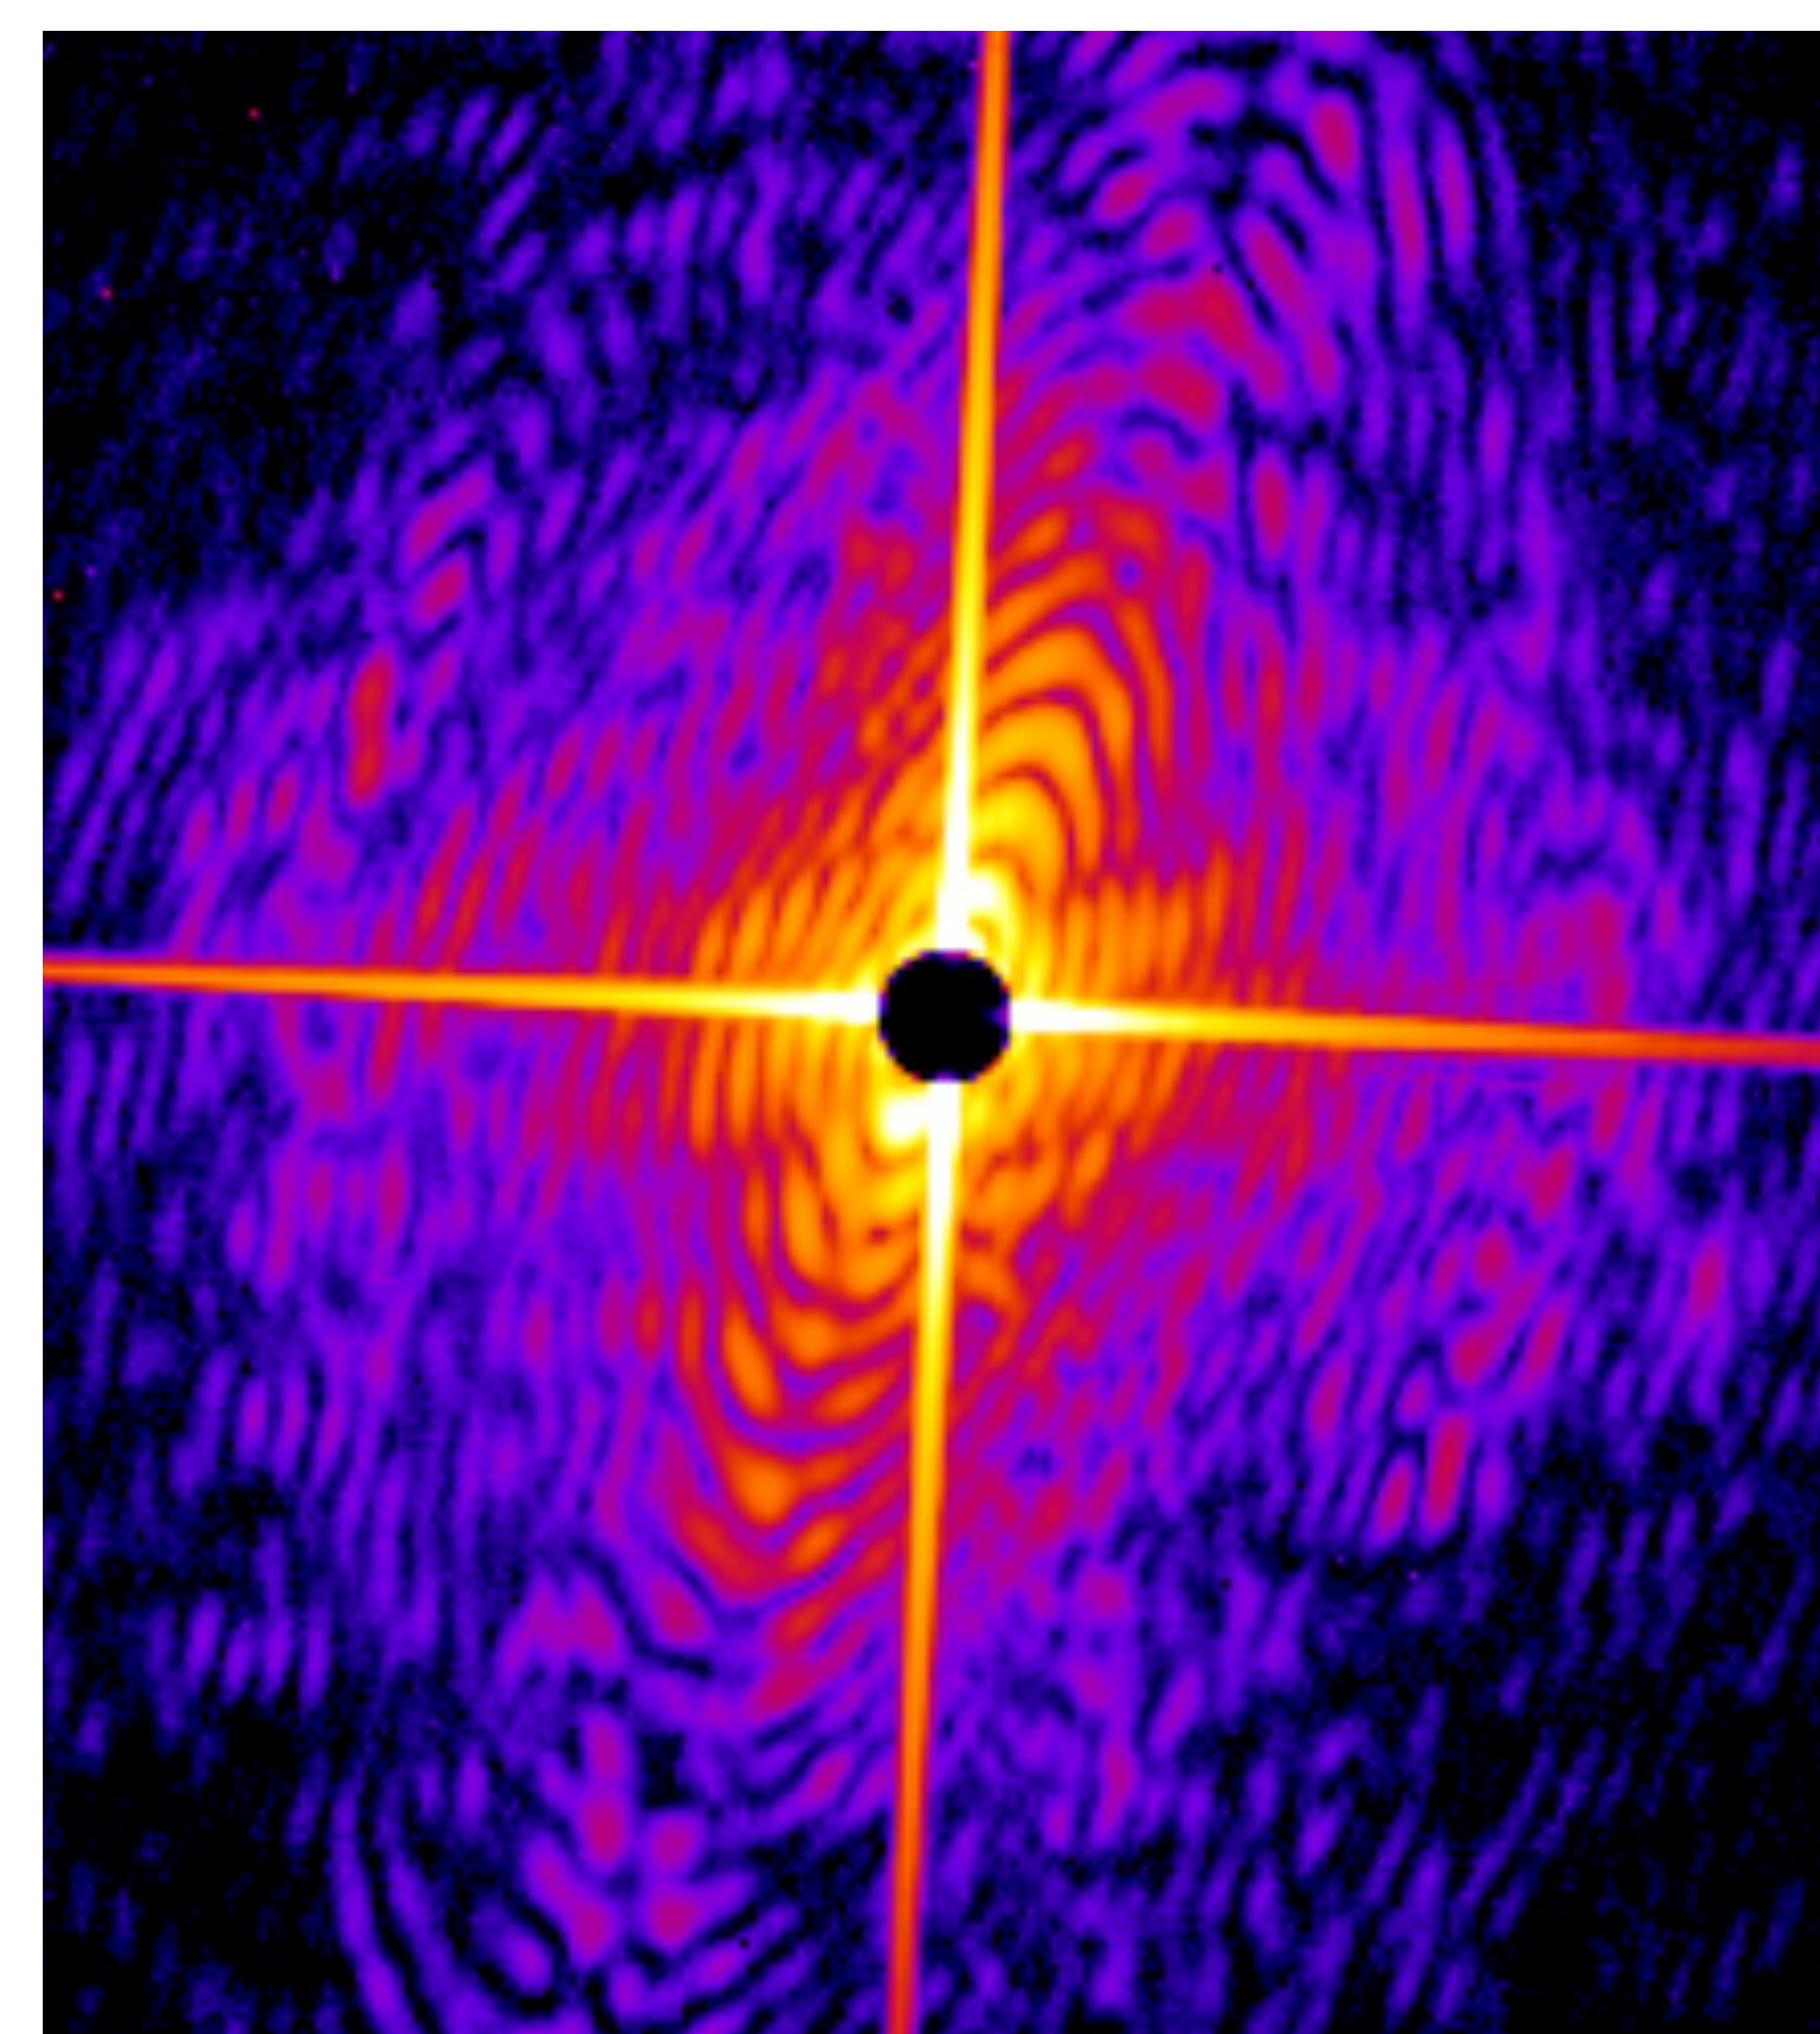

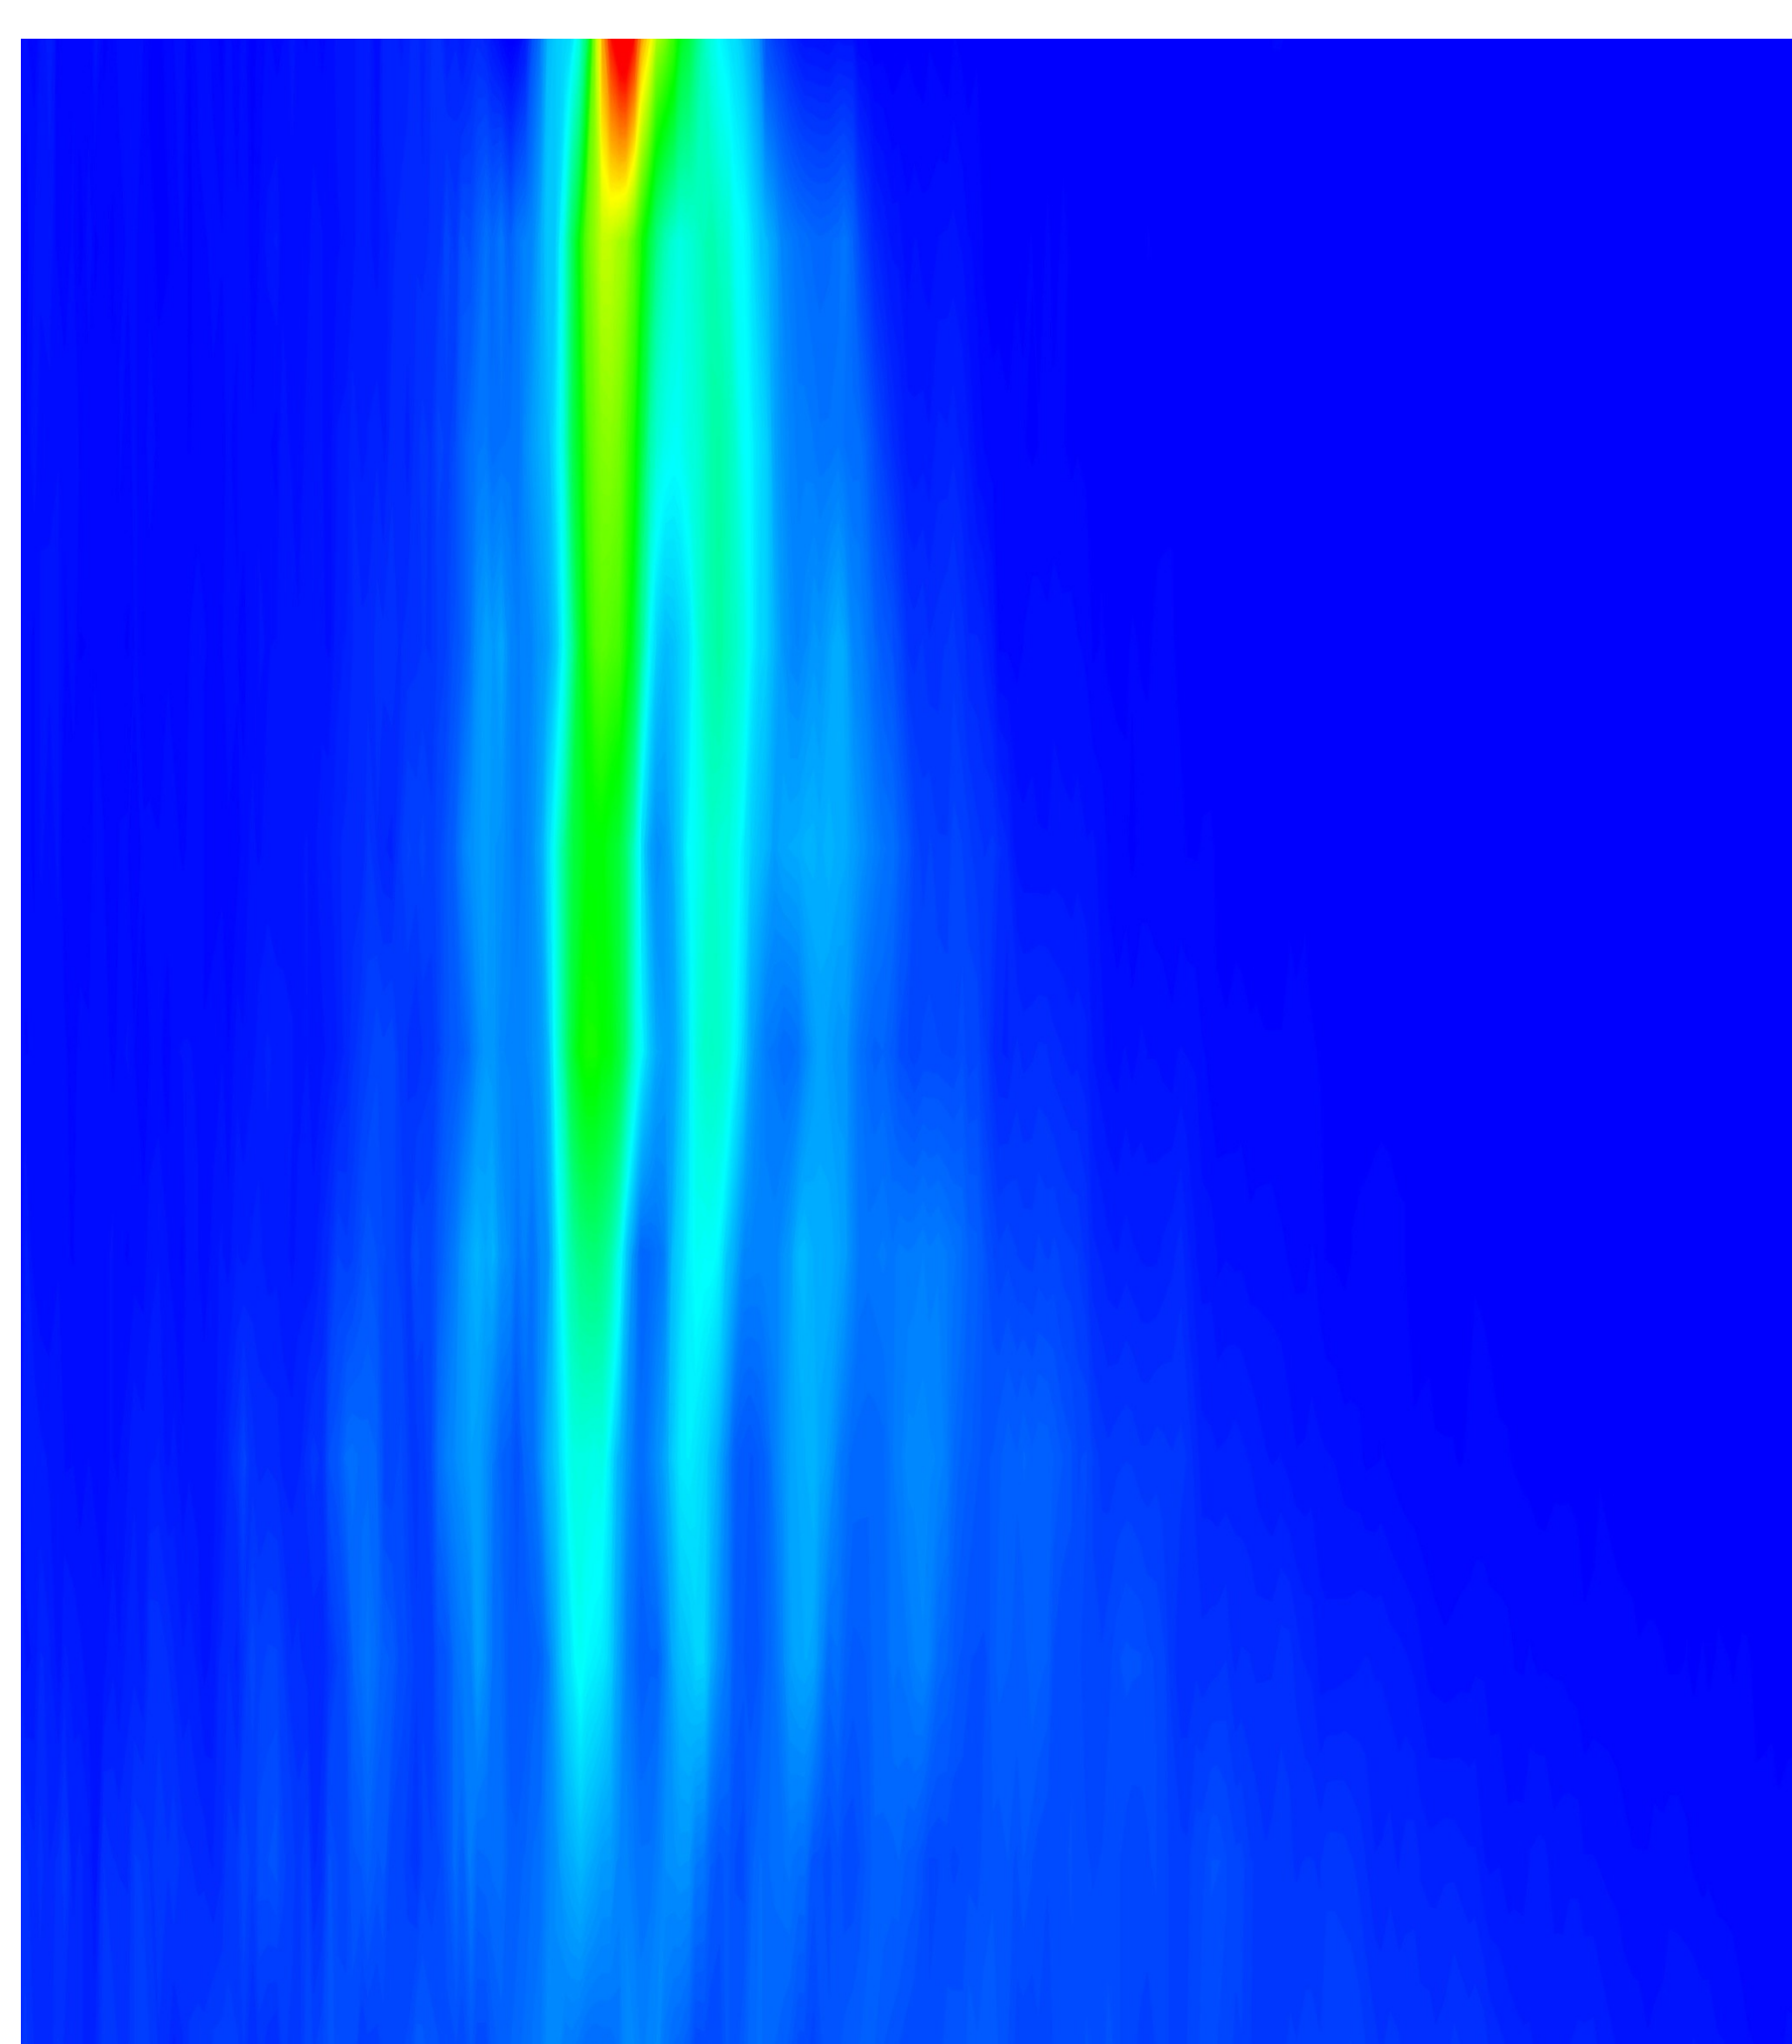

Poster session

Bursaries for young scientists

Thanks to the support by the European Commission, we are able to offer a financial contribution of up to 600 €, depending on distance, towards travel and living expenses to a limited number of young scientists.

Eligible are all science graduate students or recent PhDs (doctorate granted after Jan 01, 2009).

To apply, send a request to secretaries@xfel.eu before **January 4, 2011**, with a CV including the topic, the name of the thesis advisor and the University of your PhD work, as well as the date of completion of your doctorate (or the expected date, if you did not complete it yet).

Organizing committee:

Dwayne Miller (CFEL), Wiebke Laasch, Ralf Röhlsberger (DESY), Gyula Faigel (SZFKI, Budapest), Massimo Altarelli, Christian Bressler, Imke Gembalies, Adrian Mancuso, Michael Meyer, Serguei Molodtsov, Andreas Schwarz, Thomas Tschentscher (European XFEL)
