

Advances in Computational Particle Physics

Friday 19 September 2014

Project C5 (08:45 - 10:00)

time	[id] title	presenter
08:45	[45] Higgs production and renormalization group functions to high loop orders	Prof. STEINHAUSER, Matthias
09:10	[44] Precision calculations and searches for New Physics	MIHAILA, Luminita Nicoletta
09:35	[53] Rare B decays	MISIAK, Mikolaj
