

# Future Physics with HERA Data for Current and Planned Experiments

## Wednesday, 12 November 2014

### PDFs and Electroweak - SR4 (11:20 - 12:50)

time	[id] title	presenter
11:20	[10] Precision heavy flavour corrections to DIS and measurements of $\alpha_s$ and $m_c$	Dr BLUEMLEIN, Johannes
11:50	[11] PDF fits with a focus on the low-x HERA data	Prof. COOPER-SARKAR, Amanda
12:20	[12] Precise parton distributions	MOCH, Sven-Olaf

### PDFs and Electroweak - SR4 (14:00 - 15:30)

time	[id] title	presenter
14:00	[14] Electroweak physics	SPIESBERGER, Hubert
14:30	[13] Future electroweak and contact interaction fits	Dr WICHMANN, Katarzyna
15:00	[35] Extracting information from the high-x data	CALDWELL, Allen
