

Cavity Production and Testing

Thursday 23 April 2015 14:00 (30 minutes)

Cavity production will come to an end in fall 2015 and testing should be finished after the last retreatment of some cavities. We assume the testing will be finished end of 2015.

Presenters: Dr RESCHKE, Detlef (DESY); Dr SINGER, Waldemar (DESY)

Session Classification: Cold Linac
