PDF4LHC recommendations for LHC Run II: A critical appraisal

Tuesday, April 12, 2016 12:20 PM (15 minutes)

We review the current status in the determination of parton distribution functions in view of the precision requirements for LHC in the run II.

Primary author: MOCH, Sven-Olaf (UHH)

Presenter: Mrs PLACAKYTE, Ringaile (DESY)

Session Classification: WG1 Structure Functions and Parton Densities

Track Classification: Structure Functions and Parton Densities
