

Guido Altarelli Award 2016

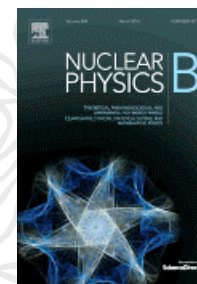

sponsored by
Nuclear Physics B
and
Association of Friends and Sponsors of DESY

**24th International Workshop on Deep Inelastic Scattering and Related Subjects
11-15 April 2016, DESY, Hamburg**

*Association of the Friends and Sponsors
of DESY
and
Nuclear Physics B*

Guido Altarelli Award

awarded to

Jan Kretzschmar

for

*his outstanding contribution to the knowledge of parton
distributions of the proton through the measurements of F_2 and F_L at
HERA and W, Z at the LHC*

Eleonora Presani
(Publisher NP B)

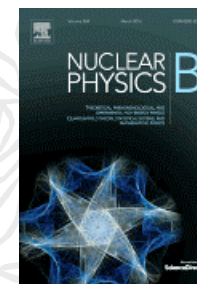

Aharon Levy
(Chair IAC of DIS2016)

Friedrich-Wilhelm B  ser
(Chair of VFFD)

*24th International Workshop on Deep-Inelastic Scattering and Related Subjects
April 11th – 15th, 2016, Hamburg, Germany*

*Association of the Friends and Sponsors of
DESY
and
Nuclear Physics B*

Guido Altarelli Award

awarded to

Fabrizio Caola

for

*seminal contributions to deep-inelastic scattering and perturbative
QCD which have spurred new experimental measurements and new
theoretical insights in the physics of fundamental interactions*
