

XXIV International Workshop on Deep-Inelastic Scattering and Related Subjects (DIS16)

Contribution ID: 96

Type: **not specified**

V+jets from CMS

Wednesday, 13 April 2016 10:10 (15 minutes)

Run I & II measurements of a vector boson ($V=W, Z$ and photon) produced in association with jets from CMS

Primary author: Prof. CMS, Collaboration (CINCO)

Presenter: Mr ZHANG, Fengwangdong (CERN)

Session Classification: WG2/WG3 joint session (QCD+EW)

Track Classification: Electroweak Physics and Beyond the Standard Model
