

# **XXIV International Workshop on Deep-Inelastic Scattering and Related Subjects (DIS16)**

**Monday, April 11, 2016 - Friday, April 15, 2016**

**DESY Hamburg**

## **Scientific Program**

14:30	Plenary	Parallel	Parallel	Conference Excursions
16:00	Coffee break	Coffee break	Coffee break	
16:30	Plenary	Parallel	Parallel	
Evening	Reception (20:00)	Public Lecture & Concert (19:30)	Conference Dinner (20:00)	

Plenary sessions with overview talks are on Monday and Friday.  
The scientific programme is organised around several working groups.

Here is an overview of the workshop agenda:

## Structure Functions and Parton Densities

## QCD and Hadronic Final States

## Electroweak Physics and Beyond the Standard Model

## Heavy Flavours (Charm, Beauty and Top)

## Small-x, Diffraction and Vector Mesons

## Spin Physics

## Future Experiments
