

Archive web server

- **Final switch to archive web server will happen THIS WEEK**
 - Work ongoing under supervision of Ingo (→ IT)
 - Archive server ready
 - `www-zeus.desy.de` name stays
 - For users there should be hardly any difference
 - giroz will be switched OFF soon!
 - If something needs to be fixed, it should be addressed NOW
 - We cannot do anything if nobody reports problems
- please check your favorite web pages and inform us about any problems
- **REMINDER**
 - Only LINKED material copied
 - Php scripts will NOT work
 - ZEUS public results data base GONE → Inspire!
 - **Please check your yet unpublished preliminary result!**

Your web team

- In case of any problems please contact me directly
- People involved in operating/maintaining the web server and ZEUS web pages:
 - Ingo Martens: our support
 - Thorsten Kluever: IT contact and responsible person
- People updating present web pages:
 - General: Matthew and myself
 - Physics coordinator's: Iris and myself
- ZEUS repository at archive server: Volodymyr Myronenko has agreed to copy there qualified users files
- ZEUS preliminary results @ Inspire: myself
- Manpower is very limited
 - If you want to contribute, please let me know!
