

VI. Research Course on New X-Ray Sciences
X-Ray Investigation of Ultrafast Processes

Contribution ID: 14

Type: **not specified**

Ultrafast, non-equilibrium processes in high energy density systems

Thursday 1 March 2007 16:40 (1h 10m)

Primary author: FÖRSTER, E. (University Jena)

Presenter: FÖRSTER, E.

Session Classification: Condensed-matter physics II
