

# VI. Research Course on New X-Ray Sciences

## X-Ray Investigation of Ultrafast Processes

### Friday, 2 March 2007

**Chemistry & Life-sciences II - Bldg. 28c (14:00 - 16:20)**

time	[id] title	presenter
14:00	[19] Functional dynamics of proteins	MARTIN, J.L.
15:10	Coffee break	
15:30	[20] Watching protein function with picosecond time-resolved Laue crystallography	ANFINRUD, P.
