

**<p>The Lake Baikal
Three Messenger Conference
</p>**

Monday 29 August 2016 - Saturday 3 September 2016

Listvyanka at Lake Baikal

Scientific Programme

TOPICS

The three basic cosmic messengers in astroparticle physics:

Cosmic and Gamma-rays

Ultrahigh-energy Neutrinos

Gravitational Waves

Multi-Messenger:

Data Analysis Frameworks

Alert Systems

Future Requirements

Upcoming experimental opportunities in Russia, Europe and beyond
