

## 1<sup>st</sup> IRUVX-PP Annual Meeting

March 09-13, 2009, Adriatico Guesthouse, Trieste/Italy

# WELCOME AND BENVENUTO!

We are happy to welcome you at the 1st IRUVX-PP Annual Meeting 2009.

In the following days you will have the possibility to learn about, discuss and exchange views and latest developments in FEL Science and technology with scientists from all over Europe.

You are invited to participate in the following sessions:

### 10 March 2009: Workshop on "Frontiers of FEL Technology"

FEL machine physicists and beamline scientists are invited to discuss forefront developments in common technical areas for enhanced performance and efficient use of free electron lasers.

### 10 – 11 March 2009: A bright future for European FELs

Leading scientists will present the science opportunities of the complementary facilities in Europe, including recent highlights from the FLASH facility in Hamburg and reports from the FELs currently under construction at Trieste and Stanford, USA.

### 11 – 13 March 2009: Internal sessions (open to project collaborators)

The IRUVX-PP consortium members will discuss the first findings within their work packages and the work plan for the upcoming project year in closed sessions. The meeting will be closed on Friday by a General Assembly Meeting. Two workshops will precede the 1st IRUVX-PP Annual Meeting:

We hope that you will have fruitful discussions, gain new insights and enjoy your stay at the 1<sup>st</sup> IRUVX-PP Annual Meeting.

Best regards,

IRUVX-PP Project Management Team

## **Practical Information**

### **Getting to Adriatico Guesthouse**

#### **From the airport**

When arriving by plane, from the Ronchi dei Legionari Airport, take the bus to Trieste (or a Taxi) and ask the driver to let you off at Grignano (pronounced greenah'no). You may want to show him/her the address of Adriatico Guesthouse:

Adriatico Guesthouse (AGH)  
Via Grignano, 9  
34014 Trieste, Italy  
Tel: (+39) 040 2240 112 Switchboard or 040 2240 + extension  
Fax: (+39) 040 224 211

#### **From the city centre**

Bus, taxi or train services link the Trieste Rail Station, located 7 km east of [ICTP campus](#), to the Centre. If you arrive in Trieste by train, you will need to reach ICTP from downtown Trieste. Bus No. 36 runs from Piazza Oberdan in downtown Trieste to Grignano just a short distance from the Adriatico Guesthouse. Bus 36 runs during the day every 20 minutes. From 21:00 until midnight, Bus C runs between Piazza Goldoni and Barcola. Up-to-date bus timetables are available on the Web (<http://www.triestetrasporti.it/>).

You must purchase your tickets beforehand and they must be validated using the machines provided on the buses. Bus tickets are available at news stands or tobacconists in Trieste and the surrounding area or at the Reception desks of the Adriatico Guesthouse.

#### **Taxi to ICTP**

If you wish to take a taxi, as you reach the end of the platform exit the train station on the left of the map above. Each piece of luggage carries an extra charge. Taxi fares are more expensive at night, during holidays and on runs that take you outside of town.

#### **Train to ICTP**

A few trains make daily stops at Miramare Station, located uphill from the Enrico Fermi Building. Arrival and departure times are available on-line (<http://www.trenitalia.com/>). Tickets must be purchased at the Rail Station in Trieste. They must be validated by using the yellow machines found near the platforms.

## Location of the Adriatico Guesthouse

### Reception, 10<sup>th</sup> March 2009

The reception takes place in the Adriatico Guesthouse at 18.30h.

### Joint project dinner, 12<sup>th</sup> March 2009

The joint dinner takes place at Trattoria Gostilna Devetak

San Michele del Carso, Savogna d'Isonzo, <http://www.devetak.com/>

A bus shuttle is organised. The bus will depart in front of Adriatico Guesthouse at 18:30h.
