

## KnowARC : dynamic runtime environments for the ARC grid middleware

*Wednesday 17 January 2007 13:40 (20 minutes)*

Currently, as a member of KnowARC ([www.knowarc.eu](http://www.knowarc.eu)) I'm working on dynamic runtime environments for the ARC grid middleware. We now got a working prototype. We intend to support virtualisation of the rte soon, but currently it is done without any kind of virtualisation.
