

Brief BTTB Evolution

- Started as EUTelescope hackathon at DESY
- Steadily increasing from 2013 - 2015
 - from 50 to 60 participants last year
 - from 1.5 to 2.5 full days
- Keeping the spirit of a workshop:

Overview Talks

Plenary Talks

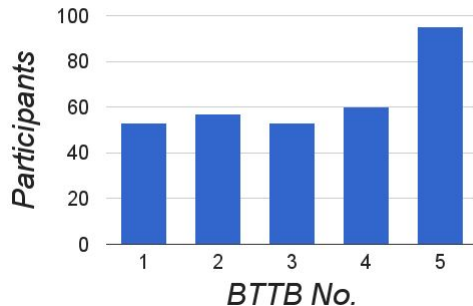

Hands-On Sessions

- Wide range of topics covered

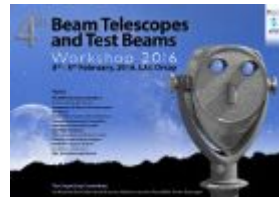

Tracking, Timing, Calorimetry, Tools,
Facilities, Instrumentation, DAQ ...

- **BTTB5**

- Now 95 participants, 3 full days
- And probably everybody wonders...

No posters
(1st & 2nd)

What will happen behind this door?

Tuesday

4 Overview Talks
