

# The Future of Neutrino Physics

A German Perspective on Topics, Opportunities and Challenges

## Friday 24 February 2017

**Chair: J. Mnich - MPIK Main Lecture Hall (10:40 - 12:10)**

time	[id] title	presenter
10:40	[12] Astrophysical sources, learning about neutrinos and fluxes (35+10)	RESCONI, Elisa
11:25	[13] Multi-messenger astronomy with neutrinos (35+10)	FRANCKOWIAK, Anna
