

Lattice QCD at the physical pion mass: results, challenges and modern techniques

Wednesday 12 April 2017

Wednesday Session - SR3 (09:30 - 13:00)

time	[id] title	presenter
09:30	[17] scattering processes on the lattice	PETSCHLIES, Marcus
10:15	[18] Lattice check of a natural non-perturbative analog of the Higgs mechanism	FREZZOTTI, Roberto
11:00	Break	
11:15	[15] Alternative methods: QMC, symmetrization	HARTUNG, Tobias
12:00	[16] Poster session
