### Electron diffraction - SR3 (3:00 PM - 4:45 PM)

time	[id] title	presenter
3:00 PM	[M] REGAE: Electron Beams for Time Resolved Diffraction Experiments	FLOETTMANN, Klaus
3:20 PM	[M] Application of Ultrafast Electron Diffraction: photo-induced phase transitions in organic molecular crystals	SCHWOERER, Heinrich
3:40 PM	[M] Nonthermal structural dynamics probed by momentum-resolved femtosecond electron diffraction	ERNSTORFER, Ralph
4:20 PM	[M] Discussion
