

RREPS-17

Monday 18 September 2017

S0: Accelerator Physics and Applications - SR 4ab (09:20 - 10:50)

time	[id] title	presenter
09:20	[0] Accelerator Research and Development at DESY/ K. Balewski	
09:50	[1] Commissioning of the European XFEL / B. Beutner	
10:20	[2] Laser-Wire as a Non-invasive Single-pass Transverse Beam Emittance Diagnostics for Electrons and H- Particles: Similarities and Differences / P. Karataev	

S0: Accelerator Physics and Applications - SR 4ab (11:20 - 11:40)

time	[id] title	presenter
11:20	[3] Inverse Free Electron Laser Acceleration and Deceleration for Practical Applications / A. Murokh
