

	Task	Deliverable	Date	Responsible	MM
1	Concepts of Coax Cables temperature stabilization in Injector Complex	Presentation	22.01.2009	W.Wierba	1
2	Possible LLRF Cables routes in Injector Complex	Presentation	05.02.2009	W.Wierba	1
3	Costs estimation of LLRF System	Presentation	16.02.2009	W.Wierba	1
4	Ideas CAD System training	Access to 3D drawings	26.03.2009	W.Wierba	2
5	Rack standards for XFEL Tunnel and Injector Complex	Presentation	26.03.2009	W.Wierba	3
6	Rack container prototype assembly in Mockup Tunnel	Container in Mockup Tunnel	26.03.2009	W.Wierba	1
7	XFEL LLRF System installation proposal & Requirements to the infrastructure	Report ver. I	08.04.2009	W.Wierba	4
8	Design of test setup for Coax Cable temperature Stabilization	Presentation	30.04.2009	W.Wierba	1
9	Design of Temperature Controller with CAN bus & Fan control (incl. Software) Eval. Board	Prototype	28.05.2009	W.Wierba	2
10	Design of final Temp. Controller	Temp. Controller Design	28.05.2009	W.Wierba	2
11	Temp. Controller final version (PCB, assembled, tested)	Temp. Controller	25.06.2009	W.Wierba	3
12	Test setup for Coax Cables temp. Stabilization	Test Setup	30.07.2009	W.Wierba	3
13	Tests of Coax Cables Temp. Stabilization	Report	27.08.2009	W.Wierba	2
14	Temperature and Cooling conditions in XFEL Tunnel	Presentation	24.09.2009	W.Wierba	2
15	XFEL LLRF System installation proposal & Requirements to the infrastructure	Report ver. II	30.09.2009	W.Wierba	4
