

Workshop summary and conclusion

Christopher Jung for the organizing team

Thank you

- to the participants,
 - to Olga for filming this event,
 - to the speakers and tutors,
 - to the local organizers
- and
- to the involved projects.

Summary & Conclusion

- Most dCache sites still need to migrate to Chimera
- We learned that conversion and verification need time
- ACLs are being asked for by LHC VOs
- dCache allows complex ACL setting; we need clear specifications from users

Your opinion ...

- on this workshop:
 - How did you get to know about this workshop?
 - What did you like about the workshop, what can be improved?
- on future workshops:
 - Do you want/need any?
 - If so, which topics should be addressed?

Have a good journey home!

But before it is lunch time, local
organizers will lead us to the
canteen.
