

5th International Solar Neutrino Conference

Thursday 14 June 2018

SAGE, THEIA and Intertwinements in the determinations of PP and CNO neutrinos - Dülfer Saal (09:00 - 10:30)

-Conveners: Alexei Smirnov

time	[id] title	presenter
09:00	[22] The History, Present and Future of SAGE (Soviet-American Gallium Experiment)	Prof. GAVRIN, Vladimir
09:30	[45] Intertwinements in the determinations of PP and CNO neutrinos	Dr VISSANI, Francesco
10:00	[15] Solar neutrino sensitivity with THEIA	Prof. OREBI GANN, Gabriel
