

Session Program

18-19 May 2009

1st Workshop for the Extreme Conditions Beamline at PETRA III

Research focus and design of the Extreme Conditions Beamline

Notkestr. 85, 22607 Hamburg, Bldg. 28c, FLASH Auditorium

Monday 18 May

14:45

Research focus and design of the Extreme Conditions Beamline

Session | **Location:** Notkestr. 85, 22607 Hamburg, Bldg. 28c, FLASH Auditorium

14:45–15:15

Overview PETRA III

Speaker

Dr Hermann Franz

15:15–15:45

The Extreme Conditions Beamline at PETRA III, DESY: Possibilities to conduct time resolved monochromatic and pink beam diffraction experiments in laser heated DAC

Speaker

H.-P. Liermann

15:45
