

EUCALL Workshop: Innovation Potential of Advanced Laser Light Sources **14 - 15 November 2017**

Venue: Hotel Melia Sitges – Room: Mestral 1+2
Carrer de Joan Salvat Papasseit, 38, 08870 Sitges, Barcelona, Spain

Tuesday 14 November 2017

Time	Programme
12:00	Registration and light lunch
13:00	<i>Welcome and Introduction – G. Appleby / European XFEL</i>
13:30	<i>Photonics21 support to spin-offs and technology road-maps – S. Royo / Photonics21</i>
14:00	<i>Fraunhofer support to spin-offs and technology road-maps – H. Hoffmann / ILT Aachen</i>
14:30	<i>Patenting and protection of Intellectual Property – A. Zennaro / CERIC-ERIC</i>
15:00	Coffee Break + Group Photo
15:30	<i>Support of Spin-Offs – M. Peleri / Elettra</i>
16:00	<i>Support of Spin-Offs and Commercialization of IP at EUCALL facilities – F. Canova / ELI-DC</i>
16:30	<i>Experience of a light source's spin-off company – R. Geometrante / Kyma Undulators</i>
17:00	<i>Innovation Hubs around light sources – D. Drossmann / DESY</i>
17:30	<i>Commercial Access at Advanced Laser Light Sources – G. Appleby / European XFEL</i>
18:00	End of Session
20:00	Further exchange of information during dinner at “La Taberna del Puerto” - Avenida del Port d'Aiguadolç 24

Wednesday 15 November 2017

Time	Programme
09:00	<i>Technological transfer road-map at CEA – D. Normand / CEA</i>
09:30	<i>Activities of LaserLab-Europe industrial board – C. Simon Boisson / Thales</i>
10:00	<i>Panel Discussion: Publication vs commercialization</i>
11:00	Coffee Break
11:30	<i>Joint Development of Technology at EUCALL facilities – G. Appleby / European XFEL</i>
12:00	<i>Technology Transfer at European XFEL – A. Bonucci / European XFEL</i>
12:30	<i>Technology Transfer at ELI-ERIC / ELI TRANS – A. Hála / ELI-Beamlines</i>
13:00	Networking Lunch with CALIPSOplus/SINE2020 meeting participants
14:00	<i>Science parks and technological support at ELI – I. Molnar / ELI-ALPS; A. Hála / ELI-Beamlines; D. Seuleanu / ELI-NP</i>
15:20	Joint coffee break with CALIPSOplus/SINE2020 meeting participants
15:50	<i>Dissemination in Science: ELI perspectives – I. Ghinet / ELI-NP</i>
16:20	Working groups: Promotion of innovative technological and scientific developments at Advanced Laser Light Sources
17:15	Summary and Close-out
17:30	End of Workshop
20:00	Further discussion with CALIPSOplus/SINE2020/ESS meeting participants during dinner at “Fragata” – Passeig de la Ribera 1
