

APPEC Technology Forum 2018

Monday 12 November 2018

Precision for general relativity and photon science - Tuinzaal (14:30 - 15:30)

time	[id] title	presenter
14:30	[3] Nanometer level precise optics for new x-ray light sources: metrology and installation challenges	VANNONI, Maurizio
14:50	[14] Engineering challenges for the Photon Beam Transport at European XFEL	LA CIVITA, Daniele
15:10	[18] GINGER and GINGERINO experiment community - General Relativity experiment	DI VIRGILIO, Angela
