

International workshop for the Materials Imaging and Dynamics Instrument at the European XFEL

Thursday 29 October 2009

WG I: CDI (09:00 - 13:00)

time	[id] title	presenter
09:00	[16] Coherent Diffraction Imaging of strains as a tool to investigate the mechanics of polycrystals	N. VAXELAIRE
10:00	[17] Material research studies with coherent x-rays at XFEL	H. POULSEN
11:00	[18] Coherent diffractive imaging at XFEL	I. ROBINSON
