

Jukka Pietarinen - Complete MRF Timing System on MicroTCA.4

Thursday 6 December 2018 09:15 (15 minutes)

All major building blocks of the MRF Timing System are now available in the MicroTCA.4 form factor. This talk gives an overview of the MRF Timing System and also presents the Open Source Event Receiver that allows users to implement a MRF protocol compatible timing receiver on their own hardware.

Author: PIETARINEN, Jukka (Micro-Research Finland Oy)
