

Next Tracking F2F Meeting in Bonn

- October 1st and 2nd
- Either in Nussallee 12 or 14-16, 53115 Bonn
- Building and room are not yet fixed, as we have fire safety construction work ongoing in our institute, which might be very loud and disturb the meeting (also depends on the number of people who plan to attend)
- WiFi: eduroam (or do you want something else?)
- I'll compile a list of hotels nearby and upload it to the indico page
- We'll probably have lunch (and dinner?) in restaurants nearby (there are plenty)
- There will be a small fee (~10 – 20 €) for the coffee breaks, Jochen and I still have to decide about the exact amount
