

Quantum field theory meets gravity

Wednesday 25 September 2019

Parallel Session: Particle Phenomenology - Seminar room 1 (14:00 - 16:00)

-Conveners: Ayan Paul

| time | [id] title | presenter |
|-------|--|-------------------------|
| 14:00 | [91] Quantum gravity and the Standard Model | MEDINA VAZQUEZ, Gustavo |
| 14:25 | [29] Asymptotically Safe Extensions of the MSSM | Mr MOCH, Kevin |
| 14:50 | [61] Asymptotic safety and phenomenology in extensions of the Standard Model | Mr STEUDTNER, Tom |
| 15:15 | [121] Machine learning in particle physics - overview | KASIECZKA, Gregor |
| 15:40 | [69] Leptogenesis in the model with modular symmetry | Mr YOSHIDA, Takahiro |
