

LETTER OF ACKNOWLEDGEMENT

... (Russian organisation) ..., , and ...(German organisation) ..., in case of receiving grant fund from Helmholtz Association (Helmholtz) and Russian Science Foundation (RSF) are obliged to provide necessary facilities and equipment for implementation of coordinated project (Helmholtz_RSF:...) directed by (...) from the Russian team and (...) from the German team for the period of the funding of the project in the above mentioned organisations.

Plan and terms of the activities, implemented within the framework of the project, as well as the distribution of the project activities between Russian and German research teams will comply with proposals, approved for grant funding.

We agree, that the results of intellectual activities, originated from collective creative work during the implementation of the project, will be used by their holders on equal terms and in accordance with national legislation. We are notified that according to the Russian legislation Russian Federation may use for public needs the results of intellectual activity, originated from implementation of the project by Russian team on the basis of non-exclusive license provided by the rights holder to the state licensee. Notwithstanding anything of the forgoing, such a licence shall be provided exclusively for peaceful purposes.

We are also notified on the requirement of the Russian Science Foundation to the Russian research team concerning the number of publications, prepared during the implementation of the project, in journals indexed in Web of Science or Scopus, that may not be less than it is indicated in the proposal submitted to the Russian Science Foundation.

We are notified that Russian Science Foundation may reduce the amount of a grant, suspend or terminate the transfer of grant funds to the Russian team in following situations:

- insufficiency of the Foundation's assets for funding
 - the Foundation's Management Board comes to the above mentioned decision based on the results of audit, an expert evaluation of applications and reports submitted by Russian team
 - the Russian team and/or Russian organisation violates the conditions and objectives of the grant proposal
 - the project or certain activities within the project are found to receive (have received) finance support other than coordinated grant from RSF and Helmholtz
 - falsified data in the grant proposal, submitted for the competition, is revealed
 - the Russian research team and/or Russian organisation violates the requirements of Russian legislation or conditions of the Agreement between the Russian research team and/or Russian organisation and Russian Science Foundation.
