

Physics at the Terascale

Ian C. Brock
University of Bonn

Terascale Book
Authors Meeting

Guidelines and Technical Details

15th September 2009

Style

- Style guidelines in guidelines.pdf
- B. Foster ZEUS paper style also provided
- The book will be printed in black&white?
- Each chapter will have its own references
- We can collect and provide a list of books and experimental papers, if this is wanted

Technical Details

- We will provide a tar file for each team of authors with framework for writing the chapter
- See README file therein for instructions on compiling
- Updates will be distributed by email and put on the webpage

Technical Details

- We use CVS to manage the book
- Access to the CVS repository is possible if you have a DESY/CERN AFS account
- `/afs/desy.de/user/b/brock/CVS`
- Module terabook
