

# The Science of Third-Generation Gravitational-Wave Detectors

**Tuesday 22 October 2019**

**Cosmology and the early history of the universe - Einstein-Saal (16:00 - 17:30)**

**-Conveners: Valerie Domcke**

time	[id] title	presenter
16:00	[9] Past and current Multi-messenger astronomy with GWs	BRANCHESI, Marica
16:30	[7] Probing cosmology with third generation detectors	GAIR, Jonathan
17:00	[8] Probing the early universe with GWs	SERVANT, Geraldine
