

The Science of Third-Generation Gravitational-Wave Detectors

Wednesday 23 October 2019

Source modeling and data-analysis challenges - Einstein-Saal (14:00 - 15:30)

-Conveners: Achim Stahl

time	[id] title	presenter
14:00	[16] Challenges and opportunities for high-precision gravitational waveforms	BUONANNO, Alessandra
14:30	[17] Numerical-relativity simulations of binary black holes in the 3G era	PFEIFFER, Harald
15:00	[18] Data Analysis and Inference Challenges in the Era of Third-Generation Gravitational-Wave Detectors	VAN DEN BROECK, Chris
