

# Antidifferentiation and the Calculation of Feynman Amplitudes

## Wednesday 7 October 2020

### Wednesday morning - Seminar Room III (09:00 - 11:20)

time	[id] title	presenter
09:00	[13] Outer Space as a combinatorial backbone for Cutkosky rules and co-actions	Prof. KREIMER, Dirk
10:10	[22] Analytic solution of differential equation systems	Prof. HENN, Johannes

### Wednesday morning: Wednesday morning - Seminar Room III (11:50 - 13:00)

time	[id] title	presenter
11:50	[24] Expansion by regions: an overview	Dr SMIRNOV, Vladimir
