

Some short Notes from the C.U.C

Christoph Wissing
DESY CMS Meeting
October 19th, 2009

General Things

> Reminder: Computer User Committee

- Meets ones per month
- Meetings are in German, minutes (“Protkollle”) are in English
- http://cuc.desy.de/index_ger.html (DESY intra-net only)

> Broad spectrum of topics

- Identity management systems
- Support for software (e.g. CAD) and web services (e.g. EDMS)
- Most topics only of 2nd order for CMS

> Interesting for CMS

- Phone conference service by Deutsche Telekom (internal call 1390) discontinued and replaced by an IP based Cisco solution:

Macintosh Support @ DESY

- Apple computers (Macbooks in particular) widely used
- Basic support for Macs is existing
 - Intro UCO flyer (German and English)
 - FAQ pages provided by IT (only in German)
http://www-it.desy.de/support/help/uco_documentation/macOS_faq/macOS_faq.html.de
 - UCO can be contacted with Mac related problems
Support on “best effort” though!
 - Macs can be ordered via AMS
- Mac @ DESY workshop in November
 - Will be announced soon (with the confirmed date)
 - Bring together IT and Mac users
 - Does the CMS group have special needs/requests? – I will start collecting them
