

# Introductory School to Terascale Physics

## Tuesday 9 March 2010

### QCD (14:00 - 18:30)

| time  | [id] title                     | presenter                     |
|-------|--------------------------------|-------------------------------|
| 14:00 | [9] Lecture: QCD at LHC (1)    | Dr SCHOERNER-SADENIUS, Thomas |
| 14:40 | Short break                    |                               |
| 14:50 | [10] Lecture: QCD at LHC (2)   | Dr SCHOERNER-SADENIUS, Thomas |
| 15:25 | Coffee break                   |                               |
| 15:45 | [11] Tutorial: Jets at LHC (1) | RUEHR, Frederik               |
| 17:05 | Short break                    |                               |
| 17:10 | [12] Tutorial: Jets at LHC (2) | Dr RUEHR, Frederik            |
