Statistics Tools Group Meeting  
DESY, Hamburg, November 18, 2009

## Regular Group Meetings

- Core group (plus ATLAS/CMS statistics contacts?).
- Depending on topics: Invite others.
- Short report on projects' progress.
- Organisational issues.
- Limit to 90 minutes.
- Once a month?
- Would Wednesday afternoon fit in general?

## Software Review Meeting

- Promised to do annual review of existing tools.
- Entry point for getting/keeping people in contact.
- Suggest January 11th.
- Are there new tools to present (TMVA)?
- Update on those presenting in November 2008?
  - RooStat[Cms]
  - BAT
  - GFitter
  - Fittino
  - Millepede II
  - Lvmini
- Suggest Wednesday January 13th, 2010.
- Who organizes?

## 'Basics': Spring at DESY

- Good experience with Fitting School April 2009.
- Need to touch more topics (limits, unfolding,?)
- Need subgroup to start assemble an agenda.
- Need fix date: March or April - 4 days?

Week	Monday	
9	1.3.	La Thuile (?)
10	8.3.	Bachelor School, LHCb week, La Thuile EW(?)
11	15.3.	DPG Bonn, CMS week, La Thuile QCD(?)
12	22.3.	Alice week

## Advanced: October in Göttingen

- Suggest to discuss another day.

## Informal Statistics Meetings

- Not revived after summer break, but not on purpose.
- Propose to start again:
  - once a month,
  - with EVO?
- Already called for Thursday 26th, 11.00 h.  
(Bld. 68 + EVO).
- Regular date?
  - Prefer morning: Lots of LHC meetings in the afternoon.
  - Thursday morning: bad for Olaf.
  - Tuesday morning: bad for me.
  - Each 2nd Wednesday: bad for CMS Hamburg.

For fellows, studentships. . .

## Needs to improve!

- WIKI, discussion forums, hypernews?
- Materials/link collection?
- How, who?
