

What's your biggest AI related challenge?

HAICU?

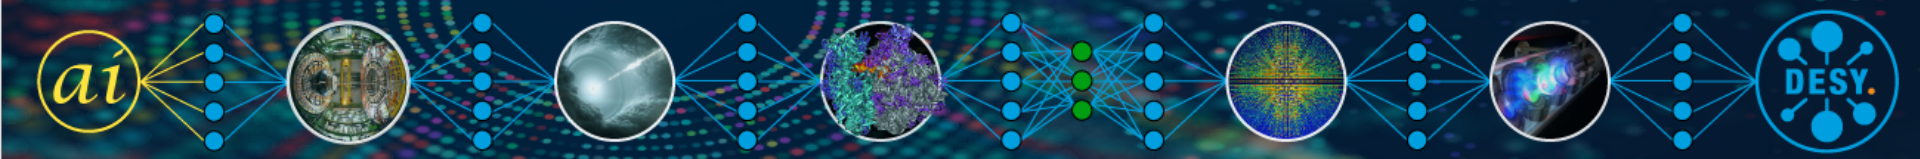

Do we need more knowledge sharing?

Common marketing platform?

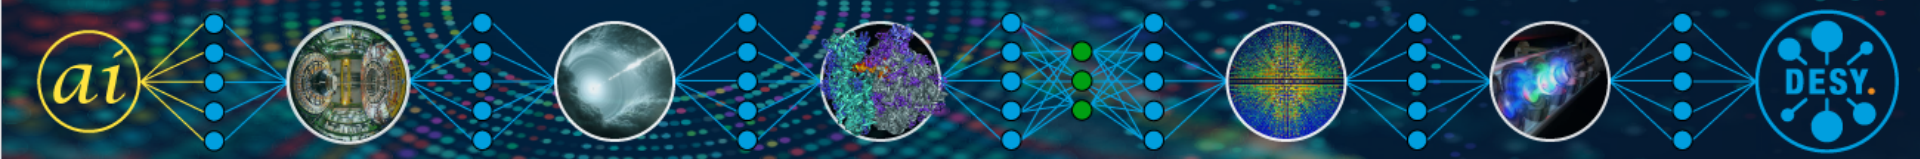

If you had one (AI) wish free, what would that be?

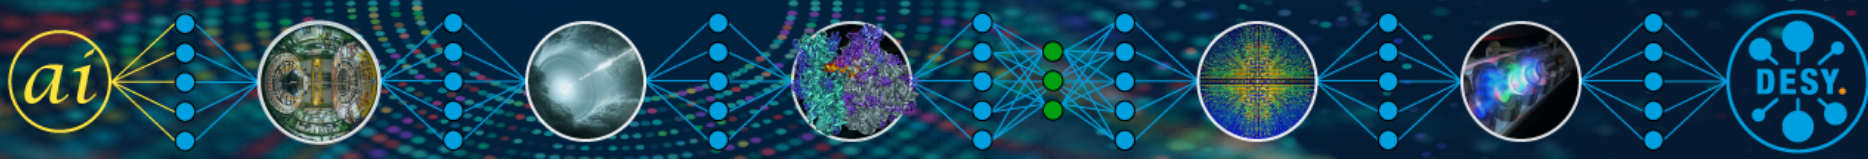

- What's your biggest AI related challenge?
  - manpower?
  - compute resources?
  - know-how?
  - Something else?
  - Would HAICU (aka Helmholtz.ai) be an option?

- Do we need more knowledge sharing?
  - Stackoverflow alike?
  - Marketplace?
  - News forum?

- Common marketing platform `ai.[desy].de`?
  - Would have liked `ai.desy-campus.de`, but ...
  - Who would be willing to contribute nevertheless?

- If you had one wish free, what would that be?
  - manpower?
  - compute resources?
  - education?
  - services?
  - Something else?
