

Discussion & AOB

DESY IT
Linux Admin Meeting
DESY, 10.12.2019

Why the documentation and information for Group Admins?

- Documentation and information always helps
- Updating it from time to time is even better
- Have a look whether you are missing things

- We would like to get closer to Linux Group Admins
 - Prepare them for their job
 - What do you need?

AOB

- Puppet: We plan for a training course in KW3/4 in 2020. Contact unix@desy.de if you are interested
- Any other other business?
