

## CREMLIN PLUS

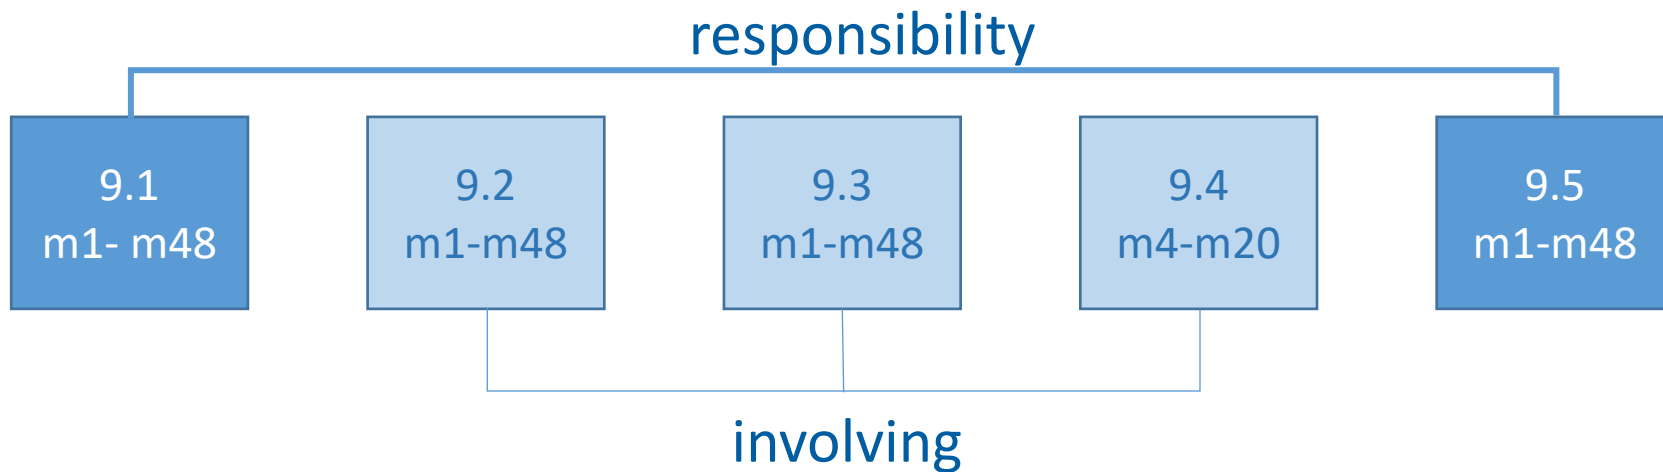

### WP9 - TRAIN – STAFF EXCHANGE AND TRAINING FOR RI MANAGEMENT.

#### NUST MISIS CONTRIBUTION

National University of Science  
and Technology «MISIS»

First Vice rector  
Sergey Salikhov

# NUST MISIS IN WP9

Co-partners:

# TASK 9.1. CREMLINplus fellowship programme

Collecting and structuring the information about programmes, thematic and horizontal courses, summer schools, workshops and international conferences in the area of RIs in Europe and Russia.

To identify needs and problems in managing Russian research infrastructures  
via  
Survey, interviews with main target groups: LIST11 and Russian Megascience projects

M1-M48

**D9.1** First list of thematic/horizontal courses and workshops at European and Russian RIs **(M6)**

Developing and implementing specific training modules

**D9.2** Training needs of Russian research infrastructures staff **(M9)**

**GRANTING ACCESS to Russian RI staff**

48 trainees/year for 1-week courses AND 40 trainees/year for 3-days workshops and courses

## THE ACADEMY WILL BE ESTABLISHED IN CLOSE COOPERATION WITH THE UNIMIB

**MAIN GOALS:** providing training courses and workshops on different issues dedicated to research infrastructures for operators (scientists and engineers), managers and administrators of Russian RIs

**EXPECTED IMPACT:** the improved services provided by Russian RIs with a clear and transparent access to them for both European and Russian researchers

### THE FIRST STEP

AGREEMENT BETWEEN THE UNIVERSITY OF MILANO-BICOCCA (UNIMIB) AND MUST MISIS ON COOPERATION IN THE FIELDS OF SCIENCE AND EDUCATION

Is expected to be signed on **February 21-st, 2020**

M1-M48

### ULTIMATE GOAL:

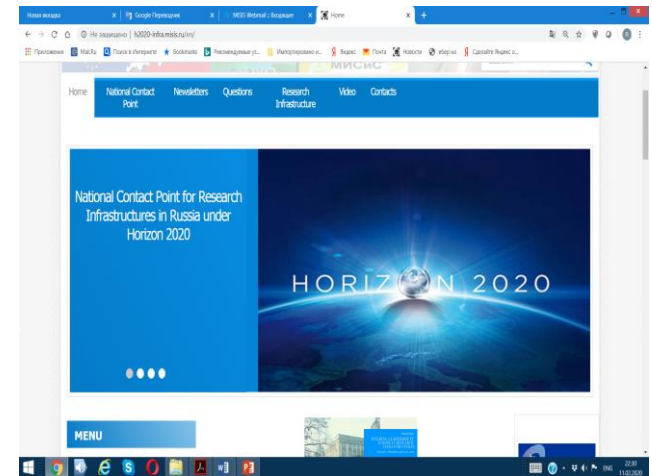

**D9.5** RUSSIAN RI  
MANAGEMENT ACADEMY  
**(M48)**

+ Joint Executive Masters Degree programme in Management of RIs with UNIMIB

**Sergey Salikhov** / NUST MISiS First Vice-rector.  
Coordination of all NUST MISiS activities of the  
project [vicerector@misis.ru](mailto:vicerector@misis.ru)

**Andrey Polyakov** / Head of NUST MISiS Science  
department. Organization of works in the scope  
of NUST MISiS responsibility in CREMLIN+  
project. [polyakov.am@misis.ru](mailto:polyakov.am@misis.ru)

**Igor Shchetinin** / head of the laboratory “Center  
of X- ray analyses and materials diagnostics”:  
[ingvar@misis.ru](mailto:ingvar@misis.ru).
