# *Announcements*

- The last DESY-Lund meeting took place 25-27 January in Lund.  
Discussions focused on LHC physics: forward physics, MI,UE, BFKL/CCFM, MC gen. development.  
Proceedings for the last years meetings are planned to be written.
- 1-2 March, CERN: Workshop on UE/MB/MI/MC (R. Field, P. Skands, et al)
- End of March, CERN: Workshop on MC4LHC readiness (M. Mangano et al)  
It would be great if we (the MC group) can contribute to these workshops.
- DESY Analysis Centre studentships announced. 1-3 month at DESY. Costs for living covered.  
Invites twice every year. [http://www.terascale.de/anacentre\\_studentships](http://www.terascale.de/anacentre_studentships)
