Online Group Photo

Wednesday 17 June 2020 10:25 (5 minutes)

We will try to make an “online group photo” during the first day of the MT meeting. To do this, we ask everyone who wants to be on the photo to switch on your camera for the “online photo session”. If bandwidth allows, and the system does not break down, we will then record the photos of everyone and use them to paste together a nice group picture. If you do not want to be on the picture - just leave your camera off.
