Dear TTC friends and colleagues,

In the name of all DESY TTC team members we would like to thank you for such a splendid virtual meeting.

With nearly 280 registrations and more than 220 participants at the same time we are looking forward to a bright future. A future where we overcomed the pandemic and meet in person again. Where we can travel to the next TTC Meeting, have a chat and a drink or two.

Let's be patient and careful till then and keep in touch with each other.

Wishing you a great weekend.
