

How to create an Indico Account

Step 1

<https://icrc2021.desy.de/indico/>

Step 2

If you are not already registered, please create an account by clicking on “Log in” and “Create one here”.
or at

<https://indico.desy.de/register/>

Step 3

Log into Indico at:

<https://indico.desy.de/login/>

By default, the login mask for DESY users appears.

As an external user switch to the Indico login mask by clicking on Indico.

<https://indico.desy.de/reset-password/>

Note: The “password forgotten” option only appears when switched to Indico.

Also Note: If that fails, your account may be blocked due to changes due to GDPR. Please contact indico@desy.de for release.

Step 4

Login in and customize your profile if necessary.
