The interface shows a virtual meeting room with a grid of tables. Each table is represented by a blue icon with a white top and blue chairs. The tables are labeled from 'First table' to 'Eleventh table'. A 'More' menu is open over one of the tables, showing options: 'Announcement', 'Whiteboard', 'Timer', and 'Mute Table'. At the bottom, there is a control bar with icons for 'Present', 'Cam Off', 'Mic Off', 'Chat', 'Share Screen', and 'More'. A 'Floor' panel is on the left side.
