PB TMD meeting

PB TMD meeting

- Hoping that you are all ok !

    and started the new in good mood and with many challenging promises !

Next workshops

- DIS2021: scheduled for 12-16 April 2021 – online only
  - abstract submission deadline: 1. Feb 2021

TMDlib discussion:

- TMDlib 2.2.0
  - available including new TMDsets

- Pavia TMDs
  - implemented in TMDlib

- Alexey's TMDs
  - implemented

- TMDplotter:
  - new version is available under tmdplotter.desy.de, using TMDlib2

TMDlib discussion

- Pavia TMDs need apfelxx
  - at the moment linked via external library
    - when linking TMDlib with MC generators, need also link to external apfelxx
    - should include coded needed in TMDlib
    -

TMDlib manual

- To be released in the next weeks
- How much theory should be in ?
- Author list ?
  - all who have recently contributed with TMD grids and code ?
