

# International Workshop on Accelerator Alignment 2010

## Friday 17 September 2010

### D5, S1, Long Term Monitoring, Ground Motion, Vibration - auditorium (09:00 - 10:20)

time	[id] title	presenter
09:00	[45] Experience report with the Alignment Diagnostic System	Mr GASSNER, Georg
09:20	[23] Hydrostatic Level Systems at Fermilab and DUSEL	Dr VOLK, James
09:40	[22] The vibrational characterization of the ALBA Synchrotron Light Source experimental area slab	Mr MIRALLES, Lluís
10:00	[76] time for discussion
