

Cross Cleaning on $Z \rightarrow ee + \text{Jets}$

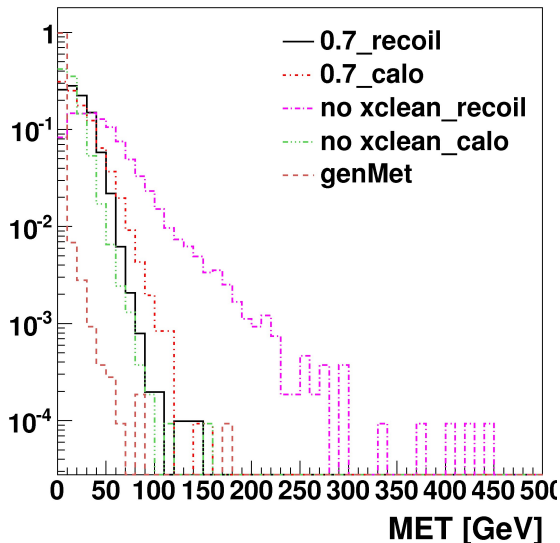

Friederike Nowak

Institut für Experimentalphysik, Universität Hamburg

08. April 2010

Problem: CaloMET

⇒ determination of
shared energy (e, jet)
wrong?

'old' $E_{shared} \sim$ em energy
of shared towers

'new' $E_{shared} \sim$ energy of
shared ecal cells

Comparison: New vs Old Shared Energy
