

Virtual Mini- Workshop on Girder and Alignment 2021

<https://indico.desy.de/event/30022/overview>

Norbert Meyners, MEA1

10./11. May 2021

Welcome

Recording:

We want to record the whole session and cut it later and publish (in the DESYcloud protected by password) only the talks where we have received the declaration of consent.

- ➔ Discussions after the talk
- If manageable we will ask the participants of the discussion for the permission to publish the record
- **BTW** No strike stop; use the discussion session as buffer

Break:

We will open breakout rooms during the break for smaller rounds

Netiquette

- ◆ *Please switch your camera and microphone off, if your not speaking*
- ◆ *Raise your „hand“ if you have a questions*
- ◆ *You may use the chat too*
- ◆ *The co-chair will watch the chat*
